Dear Mr. Buchman:

This letter is in regard to your correspondence requesting a refund of your renewal fee.

The Board denied your refund request on the basis that your renewal application was incomplete therefore it was administratively denied. In accordance with rules 4736-7-01 and 4736-7-02 of the Ohio Administrative Code, fees are nonrefundable.

Should you wish to reinstate your registration, you will need to complete an application for reinstatement, which is available on the Board website, submit the late fee of \$50.00 and provide proof of completion of 6 hours of Board approved continuing education.

If you have any questions, please feel free to contact me at (614) 466-1772 or stephanie.youst@exchange.state.oh.us.

Stephanie-

It was my intent to renew my RS registration by taking three courses that thought equaled 18 credit hours. It is impossible for me to obtain 12 hours prior to July 31. I would appreciate your understanding in this matter and return my \$80 registration fee.

Paul –

Your renewal fee has been deposited and at this point is non-refundable. What courses did you attend that you thought were approved? You can always apply for CE credit for the coursework you attended if it was not pre-approved by the Board.

Hi Steph,

Just wondering which academic accreditations are recognized by the RS board? Currently, the University of Findlay is EHAC accredited and looking to become ABET-ASAC accredited. Are either one of these recognized?

Thanks for all of your help!

Dear Ms. Dreiseidel:

This letter is in response to your correspondence regarding a refund of the late fee and the ability to pay fees online.

At this time the Board does not have the ability to accept credit card payments. This option has been researched but is cost prohibitive for a Board of our size. Unfortunately, the Board only accepts checks or money orders to pay fees.

To date the Board has not received your initial renewal materials. The renewal that was received by the Board was submitted with a postmark after July 31, 2013 therefor is considered late. The Board will not be issuing a refund to you at this time.

If you have any questions, please feel free to contact me at (614) 466-1772 or stephanie.youst@exchange.state.oh.us.

Sincerely,

Subject: RS Renewal

Hi Stephanie,

Just checking to see if you ever received my first renewal that was sent on July 22? It has not been returned to me. I've contacted both the Marysville and Columbus post offices and received no help on this. When I talked with you about this before I mentioned I had a mail order prescription that never arrived. Since then we've had another prescription not arrive the first time it was mailed.

I am still not happy with the fact that I had to pay an extra \$50 late fee, when it was not my fault. I've mailed my renewal regular mail every year since 1988 and never had a problem until now. Is there going to be a way to pay online in the near future to help avoid these problems?

I would still like to request a refund of the late fee I paid. What do I need to do?
