Hi Stephanie,

Just wondering if you ever received my RS renewal that I mailed back in July? Attached is a letter I received from the postmaster regarding this letter. I would still request a refund of the \$50 late fee I paid. Please forward my request along with this letter to the board. Thank you.

To whom it may concern:

I have been working with Ms. Marcia Dreiseidel since this past August on tracking down a letter that was addressed to State Board of Sanitary Registration, 77 S. High St, Columbus, OH 43215. I have been in contact many times with the previous Station Manager of the Main Post Office at 850 Twin Rivers Dr, trying to find this item that Ms. Dreiseidel mailed on July 22, 2013. That is the office that 77 S. High comes out of. I have also had people looking for this item at the Columbus Processing and Distribution Center located at 2323 Citygate Dr, Columbus, OH 43218. This is where all mail is processed at. I have also been in contact with the Manager of Mail Recovery Center out of Atlanta. This is where dead letters go (if it was partially destroyed and an address could not be read).

I have officially come up with a dead end trying to recover this item that Ms. Dreiseidel mailed. She has been in contact with me numerous times after I have checked with the different areas that this mail piece would have gone through. I used to be the manager of the Main Post Office so I know how the mail is worked at that location. I know you folks get a tremendous amount of mail and I by no means believe it was misplaced on your end. I also know that Ms. Dreiseidel mailed this item from my facility.

I take great pride in trying to do the right thing that is why I have spent so much time looking for this item. I was here at the Marysville Post Office when she mailed this item, so I know it got into the mailstream. Where it went from here, I do not know. Sometimes our automated machines can virtually destroy an entire letter. I do not know if that is what happened.

I took the time to write this for Ms. Dreiseidel who constantly mails items from my facility with no problems. If you could see fit to believe her as I have stated that she did mail this item on the above listed date I would greatly appreciate it. I know this was not her fault for you not receiving this document.

If you have any questions, please feel free to call me.

Sincerely yours,

Skip LaRosa
