Lana --

I will submit the one course from AOHC for review. The other two are preapproved course offerings and I will add them to your file.

I will make sure to pass your comments along to the Board. If you have any other questions/issues just let me know. Have a good weekend!

Good Afternoon Stephanie,

I am attaching ceu requests with certificates and course descriptions for three courses.. I understand that they will go to the board meeting on January 27, 2016. I will look for the email confirmation on these courses and our sewage contractor meeting which will put me at 20 ceus for the registration year, if all are approved.

I will go ahead and do my application online. Please let me know if I should do anything else. I think the new system will be quite nice when we've adapted.

I do have a suggestion, if you could relay it to the appropriate party. I would like the capability to print an actual card like we used to have. I think that our credential is worthy.

Thanks for your patience. I know that you've been working diligently for us all!!!
