Subject: Payroll Procedure

Stephanie:

At the next Board meeting, we need to bring up the Payroll Procedure (#8) for revision in order to protect everyone. Roger mentioned that the Board instituted certain procedures in response to an audit. Particularly in this atmosphere of "do away with everything at the state", we may be particularly vulnerable when our current policy makes no one responsible for signing your timesheets, leave, etc. Therefore, I propose the following language to be added to Procedure #8 at the beginning.

The Executive Secretary and clerk maintain a daily sign-in/sigh-out sheet. The Executive Secretary's requests for vacation, sick leave, personal leave and cost savings days are submitted and approved by the Board member who serves as Secretary or Chairman. Because the Clerk is classified as intermittent, no vacation, sick leave, etc. is earned and therefore, no approval is required. The Executive Secretary forwards, via e-mail at the end of the pay period, her timesheet for the pay period and her work schedule to the Board member who serves as Secretary or Chairman. The Executive Secretary is overtime exempt.

Can you please put this on the agenda?

Thanks.
